

# Taj Festival of Colors

SATURDAY | MARCH 16TH | 12:00 PM TO 4:00 PM

## WHAT IS FESTIVAL OF COLORS?

Festival of colors is an ancient Hindu religious festival. The festival signifies the victory of good over evil, the arrival of spring, end of winter (according to Hindu calendar).

The Festival of Colors is a very special event, full of fun and, above all, lots of bright colors. Color your life and throw your worries to the wind! This is a kids and family friendly event.

Festival of Colors is a very exuberant Indian cultural festival, complete with live music, dance and throwing of organic colored powders. The purpose of this event is to promote love, friendship and unity in the community. Hundreds of people will join us from all over the wiregrass area for this color festival.
